# New Testament Reading Plan

New Life seeks to equip and encourage believers by pointing the followers of Jesus back to His Word. Reading the Bible is an essential discipline for the followers of Jesus Christ. Taking the time to read the Bible is one of the ways that a Christian grows closer to the Lord and cultivates a relationship with Him. However, the goal is not simply checking off a box when reading the Bible. New Life Church wants to promote a method that will encourage the Christian to grow (understand God's Word) and be transformed (motivated to action) by the power of God's Word.

Our goal is to journey through the New Testament with a focus on rightly dividing the Word of truth (2 Timothy 2:15) by exploring each passage within its intended context, as written by each author. This approach emphasizes understanding each book's genre, themes, and purpose while weaving the gospels throughout the year. There is a genre-based organization: We are dividing the New Testament into its primary genres: Gospels: Matthew, Mark, Luke, and John. History: Acts. Pauline Epistles: Romans through Philemon. General Epistles: Hebrews through Jude. Apocalyptic: Revelation.

New Life Church would like to encourage you to use the HEAR method when going through this reading plan. God desires that we actively pursue him through prayer and reading the Bible. We believe that the HEAR method of studying the Word provides a way to pursue God and HEAR from Him. HEAR is an acronym that stands for:

**Highlight** - Highlight each verse that speaks to you in a given passage.

**Explain** - Explain what those verses mean that you highlighted.

Some questions you may ask to help explain the passage could be:

- Who is the author?
- What is the author seeking to communicate?
- When was this passage written?
- Where is this taking place?
- Why was it written?
- How does it fit within the verses before and after it? (Context helps determine the meaning)

**Apply** - Determine how the highlighted verses can be properly applied to your life. Correct application flows out of a good explanation of the verses.

Highlighting and Explanation have led to application. Some questions you may ask to help apply the passage could be:

- What does this mean for me today?
- What is God communicating to me through this passage?

**Respond** - While we believe that each text has a correct given meaning when interpreted properly, each person may be stirred to action directly. Write out how what you have read has motivated you to action in some way. During this time, write out a prayer asking for the Lord to help you put into practice your application.
